MINUTES OF MEETING

Each person who decides to appeal any decision made by the Board with respect to any matter considered at the meeting is advised that the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which such appeal is to be based.

BOBCAT TRAIL
COMMUNITY DEVELOPMENT DISTRICT

The regular meeting of the Board of Supervisors of the Bobcat Trail Community Development District was held on **Tuesday, December 3, 2024, at 3:00 p.m.** at the Bobcat Trail Community Center, 1352 Bobcat Trail Blvd., North Port, FL 34288.

Present and constituting a quorum:

Steven Ball	**Board Supervisor, Chair**
Jeffrey Brall	**Board Supervisor, Vice Chair**
Paul Fisher	**Board Supervisor, Assistant Secretary**
Michael SanAntonio	**Board Supervisor, Assistant Secretary**
Robert Branch	**Board Supervisor, Assistant Secretary**

Also present were:

Belinda Blandon	**District Manager, Rizzetta & Company, Inc.**
David Jackson	**District Counsel, Persson, Cohen, Mooney, Fernandez & Jackson, P.A.**
John Fowler	**Landscape/Aquatics Inspection Services**
Audience	

FIRST ORDER OF BUSINESS **Call to Order/Roll Call**

Ms. Blandon called the meeting to order and read roll call.

SECOND ORDER OF BUSINESS **Pledge of Allegiance**

Ms. Blandon administered Oaths of Office for Supervisors SanAntonio and Branch. She stated for the record that both Supervisors elected to receive compensation.

The Board, Staff, and Audience recited the Pledge of Allegiance.

THIRD ORDER OF BUSINESS **Approval of Agenda**

Ms. Blandon asked the Board if there were any additions or changes to the agenda as presented. There were none.

On a Motion by Mr. Brall, seconded by Mr. SanAntonio, with all in favor, the Board Approved the Agenda as Presented, for the Bobcat Trail Community Development District as amended.

DRAFT

FOURTH ORDER OF BUSINESS **Public Comments**

Ms. Blandon opened the floor for public comment, reminding attendees to limit public comments to three minutes per person.

Ms. Taylor expressed concerns with the irrigation snail issue.

There were no additional public comments.

FIFTH ORDER OF BUSINESS **Consideration of the Minutes of the Board of Supervisors' Meeting held on November 5, 2024**

Ms. Blandon presented the Minutes of the Board of Supervisors meeting held on November 5, 2024, and asked if there were any questions, comments, and/or changes. There were none.

> On a Motion by Mr. Brall, seconded by Mr. SanAntonio, with all in favor, the Board Approved the Minutes of the Board of Supervisors Meeting held on November 5, 2024, for the Bobcat Trail Community Development District.

SIXTH ORDER OF BUSINESS **Ratification of Operations and Maintenance Expenditures for the Month of October 2024**

Ms. Blandon advised that operations and maintenance expenditures for the period of October 1-31 totaled $152,875.44 and asked if there were any questions, comments, and/or changes. She answered one question from the Board.

> On a Motion by Mr. Brall, seconded by Mr. Branch, with all in favor, the Board Ratified the Operations and Maintenance Expenditures for the Month of October 2024, totaling $152,875.44, for the Bobcat Trail Community Development District.

SEVENTH ORDER OF BUSINESS **Consideration of Resolution 2025-02, Redesignating Officers of the District**

Ms. Blandon introduced Resolution 2025-02 for Board discussion.

Mr. Brall made a motion, seconded by Mr. SanAntonio, for Mr. SanAntonio to be appointed Chairman. Board discussion ensued regarding the motion and experience of supervisors. After discussion, with two in favor and three against, the motion failed.

> On a Motion by Mr. Fisher, seconded by Mr. Branch, with three in favor and Mr. Brall and Mr. SanAntonio opposed, the Board Appointed Supervisor Steven Ball as Chairman, for the Bobcat Trail Community Development District.

DRAFT

On a Motion by Mr. Ball, seconded by Mr. SanAntonio, with all in favor, the Board Appointed Jeffrey Brall as Vice Chairman, for the Bobcat Trail Community Development District.

Ms. Blandon stated for the record that Resolution 2025-02 will reflect Steven Ball Appointed as Chairman, Jeffrey Brall Appointed as Vice Chairman, with the remaining Supervisors and District Management Staff appointed as Assistant Secretaries.

On a Motion by Mr. Fisher, seconded by Mr. Brall, with all in favor, the Board Adopted Resolution 2025-02, Redesignating Officers of the District, for the Bobcat Trail Community Development District.

EIGHTH ORDER OF BUSINESS **Resident Concerns**

Mr. Ball discussed resident concerns regarding a sinkhole on Canary Palm Way and the snail issues in the lakes.

NINTH ORDER OF BUSINESS **Staff Reports**

A. Field Manager

Mr. Fowler reviewed his report with the Board, beginning with the aquatics inspection section. During his report, Mr. Fowler expressed concerns about the storm debris along lake banks. Mr. Fowler then provided an overview of the landscape portion of his report and discussed highlights with the Board. He asked if there were any questions and there were none.

B. District Engineer

There was no report.

C. District Counsel

Mr. Jackson provided the Board with updates on current litigation matters. During his report, the Board asked District Counsel to provide a copy of the District's contract with the firm. Mr. Jackson advised he would send an updated engagement letter. Mr. Brall requested that District Management provide information and qualifications from other firms.

D. District Manager

Ms. Blandon advised that the next Board of Supervisors meeting is scheduled for Tuesday, January 7, 2025, at 3:00 p.m.

Ms. Blandon asked for the Board's assistance determining a date and time to schedule a workshop to discuss operations. After discussion, it was agreed that the workshop would be held on January 7, 2025, at 1:30 p.m. Ms. Blandon provided the Board with an overview of financials and discussed the series 2017 excess revenue. District Counsel was asked to review the indenture and report back on whether the funds can be transferred.

DRAFT

TENTH ORDER OF BUSINESS **Other Reports**

A. Infrastructure/Asset Management Committee (Board Workshop)
Mr. Ball requested that agenda item additions for the next meeting be sent to him.

B. Landscape Committee
Mr. Brall advised that the Christmas lights were done and looked good.

C. Newsletter Supervisor
Mr. Fisher discussed the next release of the newsletter and asked that items be sent to him.

D. Finance Supervisor
Mr. Fisher advised that he was working on a budget recap.

E. Lakes and Roads Supervisor
Mr. Ball provided the Board with updates on matters pertaining to the lakes and roads. He advised that he was working with the District Engineer on the handicapped parking issue and provided a brief update. Board discussion ensued and Mr. Ball answered questions from the other supervisors.

F. Maintenance Supervisor
Mr. Branch spoke on several outstanding electrical issues including pool electrical panel. He discussed the proposals he obtained for the work needed to reopen the pool. Mr. Branch also discussed a proposal for the repair of improperly functioning lights in the Community Center parking lot. Board discussion ensued.

Prior to the vote, Ms. Blandon opened the floor for public comment on the issue due to it not being on the agenda. After confirming there were no comments, public comment was closed.

On a Motion by Mr. Fisher, seconded by Mr. Brall, with all in favor, the Board Approved the Sargent Electric Proposals for Repairing the Pool Panel and Community Center Lights, in the Amount of $6,685.00, Provided the Work can be Done in a Week, for the Bobcat Trail Community Development District.

G. Facilities Supervisor
Mr. SanAntonio discussed candidates for filling the retiring administrative staff's position. Due to the item not being listed on the agenda, Ms. Blandon opened the floor for public comment on the issue. There was none and public comment was then closed.

On a Motion by Mr. SanAntonio, seconded by Mr. Ball, with all in favor, the Board Agreed to Hire Whitney Rotering as Administrative Staff with a 90-day Probationary Period, for the Bobcat Trail Community Development District.

H. HOA Updates
There were no HOA updates.

DRAFT

I. Commercial Properties
There were no updates for commercial properties.

ELEVENTH ORDER OF BUSINESS **Public Comments**

A Resident commented on the irrigation snail issue.

There were no additional public comments.

TWELFTH ORDER OF BUSINESS **Supervisor Requests**

Ms. Blandon asked if there were any Supervisor requests or comments. There were none.

THIRTEENTH ORDER OF BUSINESS **Adjournment**

Ms. Blandon stated that there was no further business to come before the Board and asked for a motion to adjourn.

On a Motion by Mr. Brall, seconded by Mr. Branch, with all in favor the Board Adjourned the Meeting at 3:50 p.m., for the Bobcat Trail Community Development District.

Ms. Belinda Blandon, District Manager
Bobcat Trail Community Development District
Rizzetta & Company
210 N. University Drive, Suite 702
Coral Springs, FL 33071

RE: Bobcat Trail Community Development District
Updated Engagement Letter – District Counsel

Dear Belinda:

This letter is to memorialize Persson, Cohen, Mooney, Fernandez & Jackson, P.A.'s continued representation as District Counsel for the Bobcat Trail Community Development District ("District"). The firm will continue representation of the District at the rate of $262.00 per hour for my time or the services of any other attorney in the firm. Our policy is not to charge for incidental office costs such as copies, faxes, and regular postage, but we do charge for significant costs incurred. As was previously agreed, the firm will continue not to bill the District for travel time for attendance at regular meetings.

In order to provide you with sufficient notice for budgeting purposes, we will adjust the current hourly rate for each fiscal year (beginning October 1, 2026) by the change in the Consumer Price Index ("CPI") for the preceding year. The CPI will be established in February so the District will have

ample time to consider what, if any, effect the CPI increase would have upon its next year's budget. We will use the CPI established by the Bureau of Labor Statistics Southeastern Regional Office. The rate, including CPI, would be rounded to the nearest dollar. In this fashion, we strive to maintain a constant dollar value for the District without being compelled to significantly raise rates every few years.

For preparation of all necessary documents and opinions as District Counsel required for a bond closing, we would propose a flat fee to be mutually agreed upon. Payment would be made from the bond proceeds at the time of the bond closing.

If this arrangement meets with the District's approval, please coordinate execution of this letter where indicated below. Please keep the original of this letter and return a copy to me.

On behalf of Persson, Cohen, Mooney, Fernandez & Jackson, P.A., we appreciate the Board's consideration and look forward to continuing to represent the Bobcat Trail Community Development District.

Sincerely,

PERSSON, COHEN, MOONEY,
FERNANDEZ & JACKSON P.A.

R. David Jackson

CDD Labor Rates

(January 1, 2025 – December 31, 2025)

Classification	Rates
Principal	$240
Project Manager I	$210
Project Manager II	$180
Senior Engineer	$190
Project Engineer	$150
Engineer	$120
Senior Environmental Scientist	$150
Environmental Scientist	$110
Senior Designer	$120
Designer	$100
Senior Engineering Technician	$90
Engineering Technician	$70
Field Manager	$135
Senior Inspector	$120
Inspector	$80
Clerical	$50

Proposal

Project

Dive Clean & Inspect
Wet Well

Date	Estimate #
12/12/2024	5249

This proposal is for your annual dive, clean & inspection on your wet well. We will utilize divers to dive the wet well and inspect walls pumps, and pump baskets, We will also remove sand and debris from wet well and make sure your pump baskets are clean. Additionally, we will also dive the lake to inspect and clean lake intake basket. Upon completion, we will provide a detailed report and a video recording of the dive. This price includes all labor, material and equipment needed to complete this job.	1,680.00

Please know that we cannot hold pricing according to our normal terms, as our vendors are not holding pricing to us. All quotes will need to be reviewed at the time of contract.

Total $1,680.00

M.R.I. Underwater Specialist utilizes the federal E-Verify program in contracts with public employers
All material is guaranteed to be as specified. All work to be completed in a workmanlike manner according to standard practices. Additional charges may occur if any changes are made during scope of work and will become an extra charge over and above the estimate. All agreements contingent upon strikes, accidents or delays beyond our control. Owner to carry fire, tornado and other necessary insurance . All contractors are fully covered under general liability insurance. We will not be responsible for any unforseen incidents, when we dewater any wet well system . Due to sink holes crevases or breeches etc. in and around wet well. This proposal does not include replacing any landscaping(Grass,trees, shrubs.etc.) all Jobsites will be left clean,

We Utilize E-Verify for all workers

Authorized Signature
Michael Radford
Michael Radford President

Arreptaurr of Proposal The Above price, specifications and conditions are satisfactory and are hereby accepted. You are authorized to do the work as specified. Payments will be made within 30 days after invoiced. If not we will agree to pay a 10% late fee.
This proposal may be withdrawn if not accepted within thirty (30) days.

Bobcat Trail Landscape Committee Meeting Minutes
Tuesday October 15, 2024
Bobcat Trail Community Center
1352 Bobcat Trail Boulevard
North Port Florida 34288

1. Call to Order

The meeting was called to order at 12 PM.

2. Roll Call/Statement of Quorum

Present for the meeting were Jeff Brall, Laura Filler, Val Duemmel, and Bill Hadovski representing the Bobcat Trail Landscape Committee (BCTLC). There was no one present representing Artistree. There were no residents or members of the general public present.

3. Approval/Adoption of Agenda

The October 15, 2024, Bobcat Trail Landscape Committee Meeting Agenda was approved as modified. (See Attachment 1).

4. Public Comment on Agenda Items

There was no public comment.

5. Meeting Minute Approval

The meeting minutes for the September 17, 2024, meeting were approved as modified. In Paragraph 9.B (2) and (3) were shifted from Val D to Laura F. in paragraph 9. C..

6. Old Business

A. There was a general discussion related to action item from last meeting to capture a photographic status of the various areas with in the community. The purpose of

the action was to have a picture status of the community to facilitate future discussions with LMP. The action taken to date did not support this objective, The reference needed to be from October 1 and should not include hurricane damage. The issue was tabled. It was decided to defer the Artistree punch list for this meeting. Instead, it was decided that a Hurricane Punch list would be created. This list would detail landscape problems created by the recent hurricanes. Each committee member needs to list hurricane related issues for their areas of responsibility and have them to the Committee Chairman by October 19th. The Landscape Committee Chairman will prepare the overall list. It was noted that Artistree will be in our Community on October 23 or 24 to perform contract required trimming. It was hoped that the Storm Related Punch List could be reviewed with Artistree at that time.

B. Street Monuments, and plant sale

(1) The monuments are in pretty good shape, no major issues to report at this time.

(2) Artistry was not present at the meeting to discuss plant sales.

C. General discussion related to the Commercial Side

(1) Commercial side lake, brush is encroaching on the back side of lake, in some cases adequate vertical clearance is not available.

(2) Trees and flower beds on the north end of Bobcat Village Road, trees need to be trimmed, beds need mulch and edges refreshed trash needs to be removed.

(3) The sidewalk on the east side of Bobcat Village Road near gas station entrance/exit brush is encroaching on sidewalk and interfering with access to the fire hydrant.

D. Miscellaneous items

(1) Restroom facilities for the vendors

- CDD Board voted down any proposal other than use of gas station on the commercial side.
- The committee does not believe the gas station is a practical solution.
- The committee feels that the pool house restroom is the best solution and should be considered.
- Additional discussion with the CDD board is required.

(2) Mulch Installation

- No changes to dates, time and request for support identified in September 17th meeting minutes.

7. Shoval Ready Projects (Part of 5 Year Plan)

A. Pool Area

(1) Conceptual design is complete.

(2) Input from others committee members would be beneficial and appreciated.

(3) Get input from Artistree Design Group

B. Guard House Beds

(1) In progress design 50% complete

(2) Input from Artistree Design Group

C. Mulch Enhancement

(1) Provide list of places run off and wash out exist in each committees' members assigned area.

8. Landscape Lighting

A. The Committee recently learned that the owner of Commercial Landscape Lighting has passed away. Landscape lighting issues have been temporarily tabled until the situation with Commercial Landscape Lighting is better defined.

9. Christmas lighting

A. Will be using donated white light strings to decorate street monuments.

(1) Will need additional timers and extension cords.

B. Volunteer Request

(1) Email blast to Friends of Bobcat.

C. Preparation

(1) Staging at the Community Center December 4th at 8 AM.

(2) Decorating December 17th at 8AM.

10. LMP TERMINATION LETTER

A. Bobcat Trail Aquatics and Landscape Inspection Report

(1) The latest issue available is dated September 15, 2024 (See attachment 2)

B. Rizzetta Property Manager Direction

(1) Landscape Contractor performance and contract compliance should only be handled by the CDD Liaison Representative.

C. LMP Termination Issues

(1) LMP disputes claims of non-performance.

(2) LMP is claiming payment for the services provided above those required by the contract.

(3) The Rizzetta Property Manager has the action to set up a meeting between key participants in the LMP contract termination dispute.

11. Budget (Same as last reporting period)

A. Though the budget for 2025 has been established there are expectations that additional funds could be received from the Golf Course.

(1) Golf Course funds owed were made part of Golf Course tax assessment.

(2) Taxes must be paid.

(3) Potentially 120K$ to 150K$ could be available.

12. New Business

A. Oak Trees

(1) Issues
- Drop leaves require constant cleanup and cause damage to turf.
- The oak trees also stain sidewalks and roofs.
- Shallow root system makes them a hazard to surrounding structures.
- Shedding large limbs during storms adding potential for injury and structural damage.
- Shallow root system, creates tripping hazard and damage to roads, sidewalks and buried infrastructure.

(2) Solution
- Removal and/or trim way back

(3) Challenge
- Could be Municipal restrictions, (Heritage tree)
- Large trees removal could be very expensive.

(4) Solution
- WLH to investigate municipal requirements/restrictions.

B. Artistree Contract

(1) Approved Artistree contract, (see attachement 3).

13. Public Comment

No public comment.

14. Adjourn

Meeting adjourned at 3:05 PM.

ATTACHMENTS

1. Approved Agenda for October 15 2024, Bob Cat Trail Landscape Committee Meeting.
2. Rizzetta's September Report.
3. Artistree Landscape and Maintenance Contract.

Bobcat Trail Landscape Committee Meeting Minutes
Tuesday November 19, 2024
Bobcat Trail Community Center
1352 Bobcat Trail Boulevard
North Port Florida 34288

1. Call to Order

The meeting was called to order at 12 PM.

2. Roll Call/Statement of Quorum

Present for the meeting were Jeff Brall, Laura Filler, Val Duemmel, and Bill Hadovski representing the Bobcat Trail Landscape Committee (BCTLC). Jeff Tamayo was present representing Artistree. There were no residents or members of the general public present.

3. Approval/Adoption of Agenda

The November 19, 2024, Bobcat Trail Landscape Committee Meeting Agenda was approved as modified (See Attachment 1).

4. Public Comment on Agenda Items

There was no public comment.

5. Meeting Minute Approval

The meeting minutes for the October 15th , 2024, meeting were approved as issued.

6. Old Business

A. Artistree Punchlist

(1) Jatropha and Copper leaf bushes need trimming.

(2) Per Artistree the trim crew will be here on Thursday.

(3) Per Artistry Bottle Brush Trees are generally considered ornamental shrubs.

(4) Per the landscape contract shrubs are pruned once a month, (see attachment 4).

(5) Artistree reported that storm clean up "Under the Trees" is complete.

(6) Need to cut a path to the deep well, Artistree action item. (Jeff Brall to coordinate).

(7) The three Hibiscus in the center median in the Community Center drive need attention Artistree action item.

(8) Artistree proposal # 26458 (Attachment 2, Removal and replacement of existing damaged Foxtail palm on island near Community Center entrance) was discussed and the proposal was approved. Work will be done in early January.

(9) The Sylvester Palms are leaning due to recent storms, straightening them was discussed and it was decided that the effort was complicated, expensive and could result in doing more damage than good. It was decided to leave the trees as is.

(10) The need for restrooms for the landscape crew has been discussed by the CDD and they concluded that additional facilities were not needed. The current method of using local business establishment was considered acceptable. Artistree seemed neutral on the issue.

(11) The installation of the Mulch is going well, the consensus was that we were getting a good job.

(12) It was decided that we needed to do something with the remaining large Oak Trees along the Boulevard, Artistree will work with the Landscape Committee to develop a proposal. Bill H action item to work with Artistree.

(13) Artistree was requested to trim the Jatropha at the front entrance so that you could see the Crepe Myrtle.

(14) Flower change out was discussed, according to the contract the change out is scheduled for November, March, and June. Artistree was requested to provide mixed color New Guinea Patience or Sun Patience. In addition to the change out it was requested to add a couple of plants at the entrance Bullnose to help accent the Blue Daze currently there.

B. Street Monuments

(1) The first trim of the monuments looks good. The plants have been terraced nicely

(2) The plant sale was discussed, Artistree expressed concern that this could involve a lot of effort on their part and was outside their normal scope. Artistree agreed to discuss the effort internally and get back to us.

C. Commercial/Woodhaven/Toledo Blade/Under the Trees

(1) Downed tree behind the hospital has been removed.

(2) As noted above, the area under the trees has been cleared of storm debris.

(3) Artistree believes that their contract does not include keeping the brush pushed back and the sidewalk open along Toledo Blade. Previous BCTLC walkdowns of the community have always included the area from Woodhaven to the Vilas. It was noted that it appeared that the City of North Port was taking care of this and that going forward we would only get involved on an as needed basis.

(4) The area along Woodhaven looks good. One issue we need to deal with is the accumulation of storm debris deposited by non-Bob Cat Trail residents. Artistree has already removed this pile once and it has reappeared.

(5) On the commercial side there is still a question if the two Bottle Bush trees on the Northeast corner of Bob Cat Trail and Bobcat Village Center Road, damaged during the recent hurricane, have been removed or trimmed back. The fire hydrant on the east side of Bobcat Village Center Road has been partially cleared but still needs some additional work. The soft edges on the beds in the center median on Bobcat Village Center Road need to be freshened up and in the case of the beds on the northern end of the median strip they need to be straightened out.

D. Miscellaneous items

(1) Problem with the irrigation system behind the guard house.

(2) Lower Royal there is no irrigation on the southeast orner,

(3) Florida snow is taking over in some areas.

7. Three Shoval Ready Projects

A. Project number 1 is the area in front of the Guard House.

(1) Much of the detailed design has been completed, the type of plants chosen and configuration defined. The next step is to have Artistree's design team layout the plan and provide a proposal.

B. Project 2 is Sod /Turf Enhancement

(1) Action items for each committee member to prepare a specific list of spots in their areas where the addition of sod will help retain mulch and minimize runoff.

C. Pool Area

(1) The design phase of the project has not started yet.

8. Landscape Lighting

A. New Landscape Lighting Contractor

(1) Dario Marcelo 941 225 9128. Taking over from Mark Curtain. Transition is difficult as Mark did not maintain good records.

B. Landscape Lighting Challenges

(1) In many areas plants have overgrown lights and block their beam.

(2) Many Lights have been abandoned, and even though installed they do not work.

(3) The commercial side needs more lights closer to the wall.

(4) Need to completely revamp the Landscape Lighting, possible 5 year plan item.

9. Christmas Lights

A. Material

(1) Bob Ditterline has ten-foot extension cords and eleven timers to be used with the Christmas Lights on the Street Monuments.

(2) Enough single strand lights donated by residents are available to do the street monuments.

(3) Garland is in at Home Depot.

(4) We were unable to get a Manora.

B. Installation

(1) Bob Ditterline has agreed to install and paint hooks for Christmas Lights on the street monuments by November 20.

(2) A resident has volunteered to help install the bulbs on the new garland.

C. Support

(1) As the decoration effort grows the need for help also increases. General discussion on how to get more volunteers.

10. LMP Status

(1) We settled with LMP for 39K$

11. Budget

(1) No new information on the budget

12. Public Comment

(1) No public comment

13. Adjournment

(1) Adjourned at 2:07 PM

ATTACHMENTS

1. Approved Agenda for October 15, 2024, Bob Cat Trail Landscape Committee Meeting.
2. Artistree proposal # 26458 dated 11/12/2024.
3. Hurricane Milton damage report.
4. BCTLC Yearly Contract Schedule Grid.

Enhanced Waterbody Assessment: Bobcat Trail CDD, Site #M

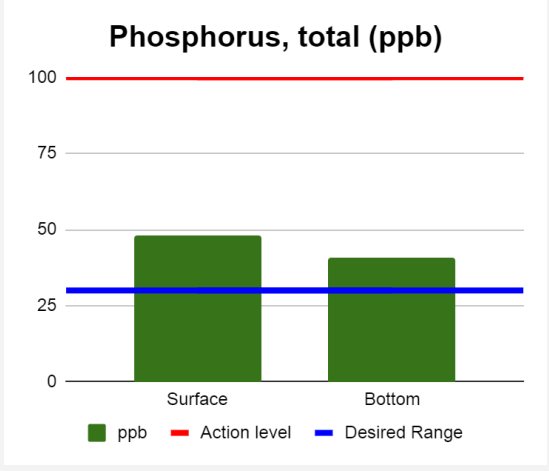

Sample Date: 2 Dec 2024

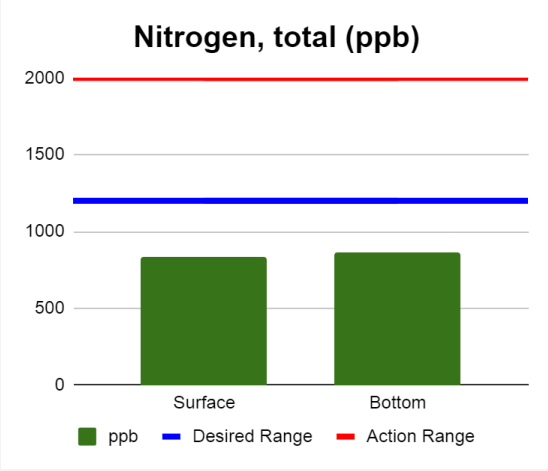

Test	Desired Range	Action Range	Surface	Bottom	This lake is
Phosphorus, Total	< 30 ppb	**> 100**	**48**	**41**	**Borderline**
Nitrogen, Total	<1,200 ppb	**> 2,000**	**830**	**860**	**Healthy**
Ammonia	< 100 ppb	**> 250**	**8**	**10**	**Healthy**
Conductivity	< 1,200 uS/cm	**NA**	**338**	**334**	**Healthy**
Alkalinity, Total	> 80 ppm	**NA**	**109**	**109**	**Healthy**
Turbidity	< 5 NTU	**NA**	**4.4**	**4.4**	**Healthy**
pH reading	6.5 - 8.5	**NA**	**7.5**	**7.6**	**Healthy**
Secchi reading	> 4 feet	**NA**	**3**		**Low**

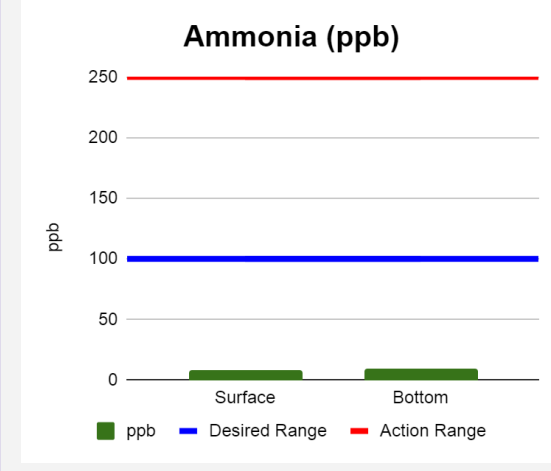

Acres: 4.1

Sample Depth (feet): 9.5

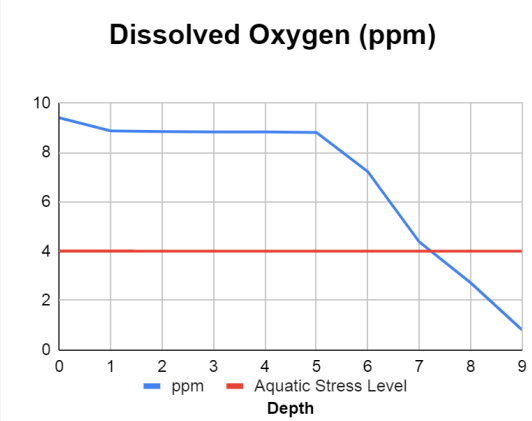

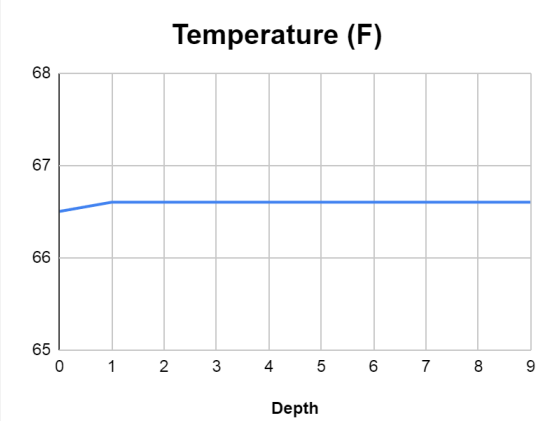

Enhanced Waterbody Assessment: Bobcat Trail CDD, Site #M

Sample Date: 2 Dec 2024

Water Column Profile

Reduced Oxygen with Depth: The oxygen profile suggests that oxygen levels decrease with depth. It is possible that this waterbody is in the process of stratifying or has elevated biological oxygen demand at depth. This often leads to fish kills, algae blooms, muck accumulation and foul odors.

Observations

Water quality data suggests that this site is experiencing slightly elevated phosphorus levels. Lakes with high nutrient concentrations are likely to become an unbalanced ecosystem. This can lead to a variety of negative effects including, but not limited to, foul odors, reduced clarity, etc.

Recommendations

- **Phosphorus reduction**
- **Aeration for increased dissolved oxygen**
- **Watershed management**
- **Ongoing water quality monitoring**

Glossary

Water Quality Parameter	Desired Range	Action Level	Non-normal results may lead to	Common causes of non-normal levels
Phosphorus, total	< 30 ppb	> 100 ppb	Excessive algae growth, muck accumulation, nuisance midge fly population, unbalanced fishery, etc.	Reclaimed water discharge, landscape fertilizer runoff and agricultural drainage, phosphorus laden bottom sediments
Orthophosphate (Free Reactive Phosphorus)	< 30 ppb	> 100 ppb	Excessive algae growth, low dissolved oxygen levels, unbalanced fishery, etc.	Landscape fertilizer runoff and agricultural drainage, sewage, rock erosion, plant and animal decay
Nitrogen, total	< 1,200 ppb	> 2,000 ppb	Excessive algae growth, muck accumulation, nuisance midge fly population, unbalanced fishery, etc.	Reclaimed water discharge, landscape fertilizer runoff and agricultural drainage, organic material input like grass clippings and leaf litter
Ammonia	< 100 ppb	> 250 ppb	May lead to fish and wildlife becoming unhealthy or passing, especially under high pH conditions	Organic decomposition, landscape/fertilizer runoff, and anoxic conditions (low oxygen), excessive waterfowl excrement
Dissolved Oxygen	> 4 ppm	N/A	Leads to nutrient recycling from the sediments (phosphorus), may cause fish kill events, foul odors, etc.	Stratification, higher than normal biological oxygen demand
Temperature	< 4 degree difference	N/A	Often leads to low dissolved oxygen, nutrient recycling, and unbalanced ecosystems	Natural processes
Alkalinity	> 80 ppm	N/A	Drastic pH swings and an unhealthy ecosystem to grow sportfish populations	Low background levels
Conductivity	< 1,200 uS/cm	N/A	Fish kills for salt intolerant species, damage to turf through irrigation, change in algae community (golden algae)	Salt water intrusion, road salt runoff, excessive additions of reclaimed / effluent water
Hardness	> 80 ppm	N/A	Buildup of solid material in water systems and an unhealthy environment for fish populations	Leaching of soil and rocks
Turbidity	< 5 NTU	N/A	Loss of clarity in water and in extreme conditions fish kills	Sediment run-off, bottom sediment in suspension, algae blooms, etc.
Secchi Disk	> 4 feet	N/A	Loss of clarity in water	Sediment run-off, bottom sediment in suspension, algae blooms, etc.
pH reading	6.5 - 8.5	N/A	Unbalanced ecosystems and potentially fish kill events	Watershed run-off, pool discharges, algae blooms, etc.

^The above thresholds are general goals that have been determined by decades of lake management experience from our lake management team and a variety of peer reviewed journal studies.
