If the proposal is sent through a carrier or other delivery system, the sealed envelope shall be enclosed in a separate envelope with a notation "RESPONSE TO REQUEST FOR PROPOSALS (Bobcat Trail Community Development District MILL AND RESURFACE ROADWAYS – PHASES 3 AND 4 - ENCLOSED" on the face of it). All costs to prepare and submit a response shall be borne by the Proposer.

Proposals will be considered at the October 7, 2025, 3:00 p.m., meeting of the Bobcat Trail Community Development District Board of Supervisors, as referenced herein, and a decision made as to the acceptance of a specific proposal or rejection of all proposals. As referenced, the District has the right to reject any and all proposals, postpone the award of the contract, to elect not to proceed with an award process, make modifications to the work, and waive any technical errors, informalities or irregularities if it determines in its sole and absolute discretion, whether or not reasonable, it is in the District's best interest to do so.

SECTION 2. SIGNATURE ON PROPOSAL. The Proposer must correctly execute all forms, affidavits, and acknowledgments for which signature and notary blocks are provided. Anyone signing the proposal as agent shall file with the proposal legal evidence of his/her authority to do so.

SECTION 3. PRE-PROPOSAL VISIT & FAMILIARITY WITH THE PROJECT: The Proposer is encouraged to visit the Bobcat Trail community prior to submitting a proposal. No additional compensation or relief from any obligations of the contract will be granted because of lack of knowledge of the site or conditions.

SECTION 4. FAMILIARITY WITH THE LAW. By submitting a proposal, the Proposer is assumed to be familiar with all federal, state, and local laws, ordinances, rules and regulations that in any manner affect the work. The Proposer is also assumed to be familiar with the District's operating rules and procedures. Ignorance on the part of the Proposer will in no way relieve it from responsibility to perform the work covered by the proposal in compliance with all applicable laws, ordinances and regulations.

SECTION 5. QUALIFICATIONS OF PROPOSER. The contract, if awarded, will only be awarded to a responsible Proposer who is qualified by experience to do the work specified herein at the sole and absolute discretion of the District. The Proposer shall submit with its proposal satisfactory evidence of experience in similar work and show that it is fully prepared with the necessary organization, capital, and equipment to complete the work to the satisfaction of the District.

SECTION 6. SUBMISSION OF ONLY ONE PROPOSAL AND DEFAULT HISTORY. Proposers shall be disqualified and their proposals rejected if the District has reason to believe that collusion may exist among the Proposers, the Proposer has defaulted on any previous contract or is in arrears on any previous or existing contract, or for failure to demonstrate proper license and business organization.

SECTION 7. INTERPRETATIONS AND ADDENDA. All questions about the meaning or intent of the Project Scope or this Request for Proposals are to be directed in writing, via e-mail only, to Belinda Blandon, District Manager, at bblandon@rizzetta.com. Questions received after 12:00 p.m. on Wednesday, September 10, 2025, will not be answered. Interpretations or clarifications considered necessary in response to such questions will be issued by addenda to all parties recorded as having received the Request for Proposal. Answers to all questions will be provided to all known potential proposers by e-mail. Only questions answered by formal written addenda will be binding. No interpretations will be given verbally. No inquiries will be accepted from subcontractors; the Proposer shall be responsible for all queries.

SECTION 8. MODIFICATION AND WITHDRAWAL. Proposals may be modified or withdrawn by an appropriate document duly executed and delivered to the place where proposals are to be submitted at any time prior to the time and date the proposals are due. No proposal may be withdrawn after opening for a period of one hundred twenty (120) days.

SECTION 9. PROPOSAL FORMS. All blanks on the proposal forms must be completed in ink or typewritten. The proposal shall contain an acknowledgment of receipt of all addenda. In making its proposal, each Proposer represents that it has read and understands the project scope and that the proposal is made in accordance therewith, including verification of the contents of the Request for Proposal against the Table of Contents. Proposer shall provide in the proposal a complete breakdown of services to be provided and accompanying rates.

SECTION 10. CONTRACT AWARD. Within fourteen (14) days of receipt of the Notice of Award from the District or as otherwise extended by the District, the Proposer shall enter into and execute a Contract. If a Proposer to whom a contract is awarded forfeits and fails to execute a contract agreement within the aforementioned timeframe, the contract award may be annulled at the District's option. If the award is annulled, the District may, at its sole discretion, award the contract to another Proposer, perform the work by day/temporary labor, or through in-house operations. This RFP does not guarantee that a contract will be awarded. The District reserves the exclusive right to reject any and all proposals. The District reserves the right to award by items, groups of items, or total proposal.

SECTION 11. INSURANCE. By submittal of a Proposal, the Proposer confirms the Proposer's ability to meet the insurance coverage requirements set forth below and provided herein.

In the event the Proposer is notified of award, it shall provide proof of the Insurance Coverage identifying the District, its officers, employees and agents as additional insureds within five (5) calendar days after notification, or within such approved extended period as the District may grant. Failure to provide proof of insurance coverage shall constitute a default.

SECTION 12. INDEMNIFICATION. The successful Proposer shall fully indemnify, defend and hold harmless the District and its officers, agents, and employees from and against all claims, damages, costs and losses arising, in whole or in part, from Contractor's negligence, reckless and/or willful misconduct as well as breach of contract.

SECTION 13. LIMITATION OF LIABILITY. Nothing herein shall be construed as or constitute a waiver of the District's limitations on liability contained in section 768.28, Florida Statutes, or other statute or law.

SECTION 14. MISCELLANEOUS. All proposals shall include the following information in addition to any other requirements of the Request for Proposals:

A. List position or title, corporate responsibilities and years' experience of key management or supervisory personnel (forms attached as part of Contractor's Qualification Statement). Include resumes for each person listed; list years of experience in present position for each party listed and years of related experience.

B. At least three (3) references from projects of similar size and scope. The Proposer should include information relating to the work it conducted for each reference as well as a name, address, and phone number of a contact person.

D. Completed copies of all other forms included within the Request for Proposals.

SECTION 15. PROTESTS. A Notice of Protest regarding the Proposal Documents/Project Manual (including the Evaluation Criteria, specifications or other requirements contained in the Request for Proposals), a Proposal rejection, or an award under the Request for Proposals, must be filed in writing, within seventy-two (72) hours after the receipt of the Project Manual or receipt of the notice of the District's decision as applicable, and must be filed at the offices of Rizzetta & Company, Inc., located at 9530 Marketplace Road #206, Fort Myers, Florida 33912, Attention: Belinda Blandon. The formal protest, setting forth with particularity the facts and law upon which the protest is based, shall be filed within seven (7) calendar days after the initial Notice of Protest was filed. Failure to timely file a Notice of Protest or failure to timely file a formal written protest shall constitute a waiver of any right to object or protest with respect to any document included in the Project Manual, including the Evaluation Criteria, plans, specifications, and Project Documents. Any entity who files a Notice of Protest protesting the Project Manual, a Proposal rejection, or an award under the RFP shall post with the District at the time of filing, a protest bond payable to the District. The protest bond for any protest shall be in an amount equal to ten percent (10%) of the value of the solicitation, but in no case less than five thousand dollars ($5,000.00). Bonds shall be by a U.S. postal service money order, certified cashier's check, or such other

form of surety as the District's counsel may approve. All bonds shall be made payable to the District. Failure to post such bond within the requested time period shall result in the protest being dismissed by the District with prejudice with the Proposer afforded no relief. If the entity protesting the award prevails, the bond shall be returned to the protester; however, if, after completion of a formal protest hearing in which the District prevails, the bond shall be applied to payment of the costs and fees incurred by the District relative to the protest. The entire amount of the bond shall be forfeited if the District determines that a protest was filed for a frivolous or improper purpose, including, but not limited to, the purpose of harassing, causing unnecessary delay, or causing needless cost for the District or other parties.

SECTION 16. EVALUATION OF PROPOSALS. The proposals shall be ranked based on Criteria presented in the Evaluation Criteria sheet set forth herein. **The Proposals shall be ranked based on the District's evaluation of the Proposer's ability to perform the services for the roadway milling and resurfacing services. Price will be one factor used in determining the proposal that is in the best interest of the District, but the District explicitly and clearly reserves the right to make such award to other than the lowest priced proposal.** Proposals may be held by the District for a period not to exceed one hundred twenty (120) days from the date of proposal opening for the purposes of reviewing the proposals and

District representatives may visit the Proposer's facilities as part of the evaluation process. The District also reserves the right to seek clarification from prospective firms on any issue in a response, invite specific firms for site visits, oral presentations, or take any action it feels necessary to properly evaluate the submissions and construct a solution in the District's best interest. Failure to submit the requested information or required documentation may result in the disqualification of the proposal response.

RECITALS

WHEREAS, the District was established for the purpose of financing, funding, planning, establishing, acquiring, constructing or reconstructing, enlarging or extending, equipping, operating and maintaining systems and facilities for certain infrastructure improvements; and

WHEREAS, the District owns the roadways throughout the community and has a need to retain an independent contractor to perform milling and resurfacing work on certain District-owned roadways; and

WHEREAS, the Contractor has offered to provide such work pursuant to the proposal form attached hereto.

NOW, THEREFORE, in consideration of the mutual covenants set forth below and other good and valuable consideration, the receipt and sufficiency of which is hereby acknowledged, the Contractor and District agree as follows:

I. INCORPORATION OF RECITALS

The recitals stated above are true and correct and by this reference are incorporated herein as a material part of this Agreement.

II. DESCRIPTION OF WORK

The work to be performed shall include all labor, material, equipment, supervision and transportation for asphalt repairs and related remediation work (hereinafter referred to as the "Contract Work") for the District's roads as set forth in the maps attached hereto as **Exhibit "B,"** and in accordance with the Proposal Form attached hereto as **Exhibit "A"** and the Technical Specifications attached hereto as **Exhibit "C."** To the extent of any conflict between the Contract and the Exhibits, the terms of this Contract shall govern.

While performing the Contract Work, the Contractor shall assign such experienced staff as may be required and such staff shall be responsible for coordinating, expediting and controlling all aspects to assure completion of the Contract Work. All work shall be performed in a professional manner and warrantied as referenced herein.

III. CONTRACT SUM

The District agrees to pay Contractor for the Contract Work the total sum of $305,252.05 ($_____.___) (hereinafter referred to as the "Contract Sum"). The District shall pay the Contractor for the Contract Work upon completion in full of the Contract Work to the District's satisfaction at the District's sole and absolute discretion. An initial payment to cover material costs of up to twenty percent (20%) of the Contract Sum will be made by Owner upon written request from Contractor. Progress payments will then be made upon request and only after approval by the District's engineer. Partial releases may be requested as partial payments are made.

The Contract Sum is the final price and there shall be no cost overruns absent a written Change Order executed by all parties before any of the excess materials and/or work is incurred. The Contract Sum and Contract Time (as defined below) will be adjusted accordingly.

The District requires that all subcontractors, material men, suppliers or laborers be paid and may require evidence, in the form of lien releases or partial waivers of lien, to be submitted to the District by those subcontractors, material men, suppliers or laborers, at the District's discretion prior to remittal of any payment due. If you do not have a number, see *How to get a TIN*, later.

3. I am a U.S. citizen or other U.S. person (defined below); and
4. The FATCA code(s) entered on this form (if any) indicating that I am exempt from FATCA reporting is correct.

What's New

Line 3a has been modified to clarify how a disregarded entity completes this line. An LLC that is a disregarded entity should check the appropriate box for the tax classification of its owner. Otherwise, it should check the "LLC" box and enter its appropriate tax classification.

New line 3b has been added to this form. A flow-through entity is required to complete this line to indicate that it has direct or indirect foreign partners, owners, or beneficiaries when it provides the Form W-9 to another flow-through entity in which it has an ownership interest. This change is intended to provide a flow-through entity with information regarding the status of its indirect foreign partners, owners, or beneficiaries, so that it can satisfy any applicable reporting requirements. For example, a partnership that has any indirect foreign partners may be required to complete Schedules K-2 and K-3. See the Partnership Instructions for Schedules K-2 and K-3 (Form 1065).

Purpose of Form

An individual or entity (Form W-9 requester) who is required to file an information return with the IRS is giving you this form because they

Additional Insured – Automatic – Owners, Lessees Or Contractors

THIS ENDORSEMENT CHANGES THE POLICY. PLEASE READ IT CAREFULLY.	
Policy No. GLO 3538459-02	Effective Date: 03/01/2025

This endorsement modifies insurance provided under the:

Commercial General Liability Coverage Part

A. Section **II – Who Is An Insured** is amended to include as an additional insured any person or organization whom you are required to add as an additional insured under a written contract or written agreement executed by you, but only with respect to liability for "bodily injury", "property damage" or "personal and advertising injury" and subject to the following:

1. If such written contract or written agreement specifically requires that you provide that the person or organization be named as an additional insured under one or both of the following endorsements:

a. The Insurance Services Office (ISO) ISO CG 20 10 (10/01 edition); or

b. The ISO CG 20 37 (10/01 edition),

such person or organization is then an additional insured with respect to such endorsement(s), but only to the extent that "bodily injury", "property damage" or "personal and advertising injury" arises out of:

(1) Your ongoing operations, with respect to Paragraph **1.a.** above; or

(2) "Your work", with respect to Paragraph **1.b.** above,

which is the subject of the written contract or written agreement.

However, solely with respect to this Paragraph **1.**, insurance afforded to such additional insured:

(a) Only applies if the "bodily injury", "property damage" or "personal and advertising injury" offense occurs during the policy period and subsequent to your execution of the written contract or written agreement; and

(b) Does not apply to "bodily injury" or "property damage" caused by "your work" and included within the "products-completed operations hazard" unless the written contract or written agreement specifically requires that you provide such coverage to such additional insured.

2. If such written contract or written agreement specifically requires that you provide that the person or organization be named as an additional insured under one or both of the following endorsements:

a. The Insurance Services Office (ISO) ISO CG 20 10 (07/04 edition); or

b. The ISO CG 20 37 (07/04 edition),

such person or organization is then an additional insured with respect to such endorsement(s), but only to the extent that "bodily injury", "property damage" or "personal and advertising injury" is caused, in whole or in part, by:

(1) Your acts or omissions; or

(2) The acts or omissions of those acting on your behalf,

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

in the performance of:

(a) Your ongoing operations, with respect to Paragraph **2.a.** above; or

(b) "Your work" and included in the "products-completed operations hazard", with respect to Paragraph **2.b.** above,

which is the subject of the written contract or written agreement.

However, solely with respect to this Paragraph **2.**, insurance afforded to such additional insured:

(i) Only applies if the "bodily injury", "property damage" or "personal and advertising injury" offense occurs during the policy period and subsequent to your execution of the written contract or written agreement; and

(ii) Does not apply to "bodily injury" or "property damage" caused by "your work" and included within the "products-completed operations hazard" unless the written contract or written agreement specifically requires that you provide such coverage to such additional insured.

3. If neither Paragraph **1.** nor Paragraph **2.** above apply and such written contract or written agreement requires that you provide that the person or organization be named as an additional insured:

a. Under the ISO CG 20 10 (04/13 edition, any subsequent edition or if no edition date is specified); or

b. With respect to ongoing operations (if no form is specified),

such person or organization is then an additional insured only to the extent that "bodily injury", "property damage" or "personal and advertising injury" is caused, in whole or in part by:

(1) Your acts or omissions; or

(2) The acts or omissions of those acting on your behalf,

in the performance of your ongoing operations, which is the subject of the written contract or written agreement.

However, solely with respect to this Paragraph **3.**, insurance afforded to such additional insured:

(a) Only applies to the extent permitted by law;

(b) Will not be broader than that which you are required by the written contract or written agreement to provide for such additional insured; and

(c) Only applies if the "bodily injury", "property damage" or "personal and advertising injury" offense occurs during the policy period and subsequent to your execution of the written contract or written agreement.

4. If neither Paragraph **1.** nor Paragraph **2.** above apply and such written contract or written agreement requires that you provide that the person or organization be named as an additional insured:

a. Under the ISO CG 20 37 (04/13 edition, any subsequent edition or if no edition date is specified); or

b. With respect to the "products-completed operations hazard" (if no form is specified),

such person or organization is then an additional insured only to the extent that "bodily injury" or "property damage" is caused, in whole or in part by "your work" and included in the "products-completed operations hazard", which is the subject of the written contract or written agreement.

However, solely with respect to this Paragraph **4.**, insurance afforded to such additional insured:

(1) Only applies to the extent permitted by law;

(2) Will not be broader than that which you are required by the written contract or written agreement to provide for such additional insured;

(3) Only applies if the "bodily injury" or "property damage" occurs during the policy period and subsequent to your execution of the written contract or written agreement; and

(4) Does not apply to "bodily injury" or "property damage" caused by "your work" and included within the "products-completed operations hazard" unless the written contract or written agreement specifically requires that you provide such coverage to such additional insured.

Includes copyrighted material of Insurance Services Office, Inc., with its permission.

B. Solely with respect to the insurance afforded to any additional insured referenced in Section **A.** of this endorsement, the following additional exclusion applies:

This insurance does not apply to "bodily injury", "property damage" or "personal and advertising injury" arising out of the rendering of, or failure to render, any professional architectural, engineering or surveying services including:

1. The preparing, approving or failing to prepare or approve maps, shop drawings, opinions, reports, surveys, field orders, change orders or drawings and specifications; or

2. Supervisory, inspection, architectural or engineering activities.

This exclusion applies even if the claims against any insured allege negligence or other wrongdoing in the supervision, hiring, employment, training or monitoring of others by that insured, if the "occurrence" which caused the "bodily injury" or "property damage", or the offense which caused the "personal and advertising injury", involved the rendering of or the failure to render any professional architectural, engineering or surveying services.

C. Solely with respect to the coverage provided by this endorsement, the following is added to Paragraph **2. Duties In The Event Of Occurrence, Offense, Claim Or Suit** of Section **IV – Commercial General Liability Conditions**:

The additional insured must see to it that:

(1) We are notified as soon as practicable of an "occurrence" or offense that may result in a claim;

(2) We receive written notice of a claim or "suit" as soon as practicable; and

(3) A request for defense and indemnity of the claim or "suit" will promptly be brought against any policy issued by another insurer under which the additional insured may be an insured in any capacity. This provision does not apply to insurance on which the additional insured is a Named Insured if the written contract or written agreement requires that this coverage be primary and non-contributory.

D. Solely with respect to the coverage provided by this endorsement:

1. The following is added to the **Other Insurance** Condition of Section **IV – Commercial General Liability Conditions**:

Primary and Noncontributory insurance

This insurance is primary to and will not seek contribution from any other insurance available to an additional insured provided that:

   The deductible for the temporary substitute "auto" will be the same as the deductible for the covered "auto" it replaces.

N. Amended Duties In The Event Of Accident, Claim, Suit Or Loss

Paragraph **a.** of the **Duties In The Event Of Accident, Claim, Suit Or Loss** Condition is replaced by the following:

a. In the event of "accident", claim, "suit" or "loss", you must give us or our authorized representative prompt notice of the "accident", claim, "suit" or "loss". The failure of any agent, servant or employee of the "insured" to notify us of any "accident", claim, "suit" or "loss" shall not invalidate the insurance afforded by this policy.

Include, as soon as practicable:

(3) To the extent possible, the names and addresses of any injured persons and witnesses.

If you report an "accident", claim, "suit" or "loss" to another insurer when you should have reported to us, your failure to report to us will not be seen as a violation of these amended duties provided you give us notice as soon as practicable after the fact of the delay becomes known to you.

This waiver only applies to the person or organization designated in the contract.

P. Employee Hired Autos – Physical Damage

Paragraph **b.** of the **Other Insurance** Condition in the Business Auto Coverage Form and Paragraph **f.** of the **Other Insurance – Primary and Excess Insurance Provisions** Condition in the Motor Carrier Coverage Form are replaced by the following:

However, we will not deny coverage under this Coverage Form if you unintentionally:

(1) Fail to disclose any hazards existing at the inception date of this Coverage Form; or

The following is added to the **Coverage Extension** Provision of the **Physical Damage Coverage** Section:

If a covered “auto” is stolen and recovered, we will pay the cost of transport to return the “auto” to you. We will pay only for those covered “autos" for which you carry either Comprehensive or Specified Causes of Loss Coverage.

INDEPENDENT AUDITOR'S REPORT ON FINANCIAL SUMMARIES

To the Members and Directors
Ajax Paving Industries of Florida, LLC
North Venice, Florida

Opinion

The accompanying financial summaries, which comprise the balance sheet accounts as of December 31, 2024, 2023 and 2022, and the statement of income and equity accounts for the years then ended, are derived from the audited financial statements of Ajax Paving Industries of Florida, LLC as of and for the years ended December 31, 2024, 2023 and 2022. We expressed an unmodified audit opinion on those audited financial statements in our reports dated April 1, 2025, April 12, 2024, and April 7, 2023, respectively.

In our opinion, the financial summaries of Ajax Paving Industries of Florida, LLC as of and for the years ended December 31, 2024, 2023 and 2022 referred to above are consistent, in all material respects, with the audited financial statements from which they have been derived, on the basis described in accordance with accounting principles generally accepted in the United States of America.

The financial summaries do not contain all the disclosures required by accounting principles generally accepted in the United States of America. Reading the financial summaries, therefore, is not a substitute for reading the audited financial statements of Ajax Paving Industries of Florida, LLC.

Basis for Opinion

We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Financial Statements section of our report. We are required to be independent of Ajax Paving Industries of Florida, LLC and to meet our other ethical responsibilities in accordance with the relevant ethical requirements relating to our audit. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Responsibilities of Management for the Financial Summaries

Management is responsible for the preparation and fair presentation of these financial summaries in accordance with accounting principles generally accepted in the United States of America, and for the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial summaries that are free from material misstatement, whether due to fraud or error.

In preparing the financial summaries management is required to evaluate whether there are conditions or events, considered in the aggregate, that raise substantial doubt about Ajax Paving Industries of Florida, LLC's ability to continue as a going concern within one year after the date that the financial summaries are available to be issued.

Grant, Millman & Johnson, P.C.
CERTIFIED PUBLIC ACCOUNTANTS
AND BUSINESS ADVISORS

Auditor's Responsibilities for the Audit of the Financial Summaries

Our objectives are to obtain reasonable assurance about whether the financial summaries as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance but is not absolute assurance and therefore is not a guarantee that an audit conducted in accordance with generally accepted auditing standards will always detect a material misstatement when it exists. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control. Misstatements, including omissions, are considered material if there is a substantial likelihood that, individually or in the aggregate, they would influence the judgment made by a reasonable user based on the financial summaries.

In performing an audit in accordance with generally accepted auditing standards, we:

- Exercise professional judgment and maintain professional skepticism throughout the audit.
- Identify and assess the risks of material misstatement of the financial summaries, whether due to fraud or error, and design and perform audit procedures responsive to those risks. Such procedures include examining, on a test basis, evidence regarding the amounts and disclosures in the financial summaries.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of Ajax Paving Industries of Florida, LLC's internal control. Accordingly, no such opinion is expressed.
- Evaluate the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluate the overall presentation of the financial summaries.
- Conclude whether, in our judgment, there are conditions or events, considered in the aggregate, that raise substantial doubt about Ajax Paving Industries of Florida, LLC's ability to continue as a going concern for a reasonable period of time.

We are required to communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit, significant audit findings, and certain internal control related matters that we identified during the audit.

6. Old Business

A. Boulevard/Community Center/Parking Lot/Back Gate

(1) See (Attachment 4) for additional discussion related to these areas.

(2) Artis Tree has not received an advanced copy of (Attachement 4) but does not believe there are any significant issues that cannot be properly addressed.

(3) It was agreed that the irrigation issues needed to be resolved before it is practical to move ahead with the Sod Enhancement Project, Artis Tree to provide an estimate.

(4) Artis Tree was requested to provide an estimate for planting Ginger Plants around the stumps near the Community Center Drive, to better stake up the Shady Lady on BCT and Pheonix Palm and to remove the Magnolia Tree at the entrance to the Community Center.

B. Review of the Contract Matrix,

(1) (Refer to Attachment 3) Artis Trees' work is in line with the August matrix requirements.

C. Bobcat Trail Aquatic and Landscape Inspection Report for July 2025, by Rizzetta & Company John Fowler Landscape

Specialist (Landscape Sections only). (Refer to Attachment 2)

(1) As a general comment Artis Tree has a copy of the Fowler report and will address appropriate issues during the normal cycle of their trim crew and insecticide team.

(2) Item 4 from list, we need to get a quote from Artis Tree to remove Magnolia, (Bobcat Village Center Drive.)

(3) Item 12 from List is caused by poor irrigation. The irrigation is provided by both FWC and CDD. Irrigation issues need to get resolved to bring this turf back.

(4) Number 10, Plumeria in question was planted by the resident of the adjoining property and is not a CDD/Artis Tree responsibility.

(5) Item 14, To straighten and properly stake this tree Artis Tree will require equipment to pull tree upright. Artis Tree is preparing a quote.

(6) Item 19, dead plants will be removed, after removal it will be decided if plants need to be replaced.

(7) Item 20, New sod by pool house is still a problem, seems to be getting enough water but still struggling,

possibly it was subjected to much sun/heat before the first irrigation cycle.

(8) Item 21 led to general discussion of cutting back all the decorative grasses located around the Community Center and the Bob Cat Community.

(9) Item 22, Trim weeds back from Woodhaven Fence. Artis Tree noted they clear the weeds off the fence, but it is not part of their contract services to clear five feet behind the fence.

D. Street Monuments

(1) It was reported that all the street monuments were looking good.

(2) Current effort is to work the backside of the monuments and obtain some uniformity on the monument backside plantings.

(3) There are a mixture of plants located behind the monuments, some planted by the residents.

E. Under The Trees/ Woodhaven-Toledo Blade/Commercial Side

(1) See (Attachment 5) for additional discussion related to these areas.

(2) The Area Under the Tree did not seem to be evenly cut some areas were at different lengths. Trimming around the pond was needed. It was explained by Artis Tree that they had been cutting it two times a month per the contract and possibly the heavy rains were causing extra growth, Artis Tree noted it was not a contract requirement to trim in this area.

(3) The palm trees in the Area Under the Trees will not be trimmed until we are out of the rainy season and the ground becomes dry enough to support heavy equipment.

(4) At the time of the BCTLC meeting the Community Center Palm Trees had been trimmed.

F. Due to funding restraints, it was decided to put the Oak Tree Trimming Project temporarily on hold.

G. Reported that mulch would be put down in November.

BCTLC Notes For August Meeting
8/19/25

- Some Brazilian Pepper Trees that are on golf course property are starting to creep into our CDD landscape area on the left side of the Exit Monument. Should we trim them back ourselves?
- Ride Around With JeffT. for the Sod Enhancement Project -

  Oddly enough, what seemed like a simple project turns out to be much more complicated that I imagined. The sod can certainly be installed but the proper irrigation is not in place to complete the project.

  I have asked Jeff T. To provide the Committee with an estimate for the re-figuration of the irrigation system at the Street Monuments. Until that is done, there is no sense in adding sod.

For Jeff T.

BCT is looking great! There are just a few things that still needed to be tweaked.

- Currently, the Shady Lady tree at the monument on BCT & Phoenix Palm needs staking. There is only one stake supportive tree and it is leaning too much.
- The shrubs directly across the street from the corner with the monument (at Silver & BCT) that are adjacent to a home need to be cut back.
- 2 of the 3 yellow Hibiscus trees at the entrance to the C/C need to be stabilized, they still are leaning.
- The Jatropha at the Front Entrance that are under the Crepe Myrtle need to be lowered and keep them at about 4.5 - 5 feet.
- The Jatropha on the right side of the street monument at lower Palmetto & BCT (across from the fountain house) needs to be trimmed much, much smaller. It is still growing into the Hibiscus that is adjacent, which belong to the home owner.
- I would like to see the Jatropha in the entire community kept around 5 foot.

- I appreciate the crew allowing the Jatropha's at the backside of the "Community Information Signs" to be a little taller than the rest but the one (at the end of median Guard House bed) is getting a little too big.
- The Ligustrum (?, its supposed to be a Ligustrum)) in the median bed behind the Guard House needs shaping (the furthest one that looks different from the rest).
- The sod at the Pool House still needs to be replaced.
- There are weeds at Solitary Palm Circle that need treating.
- Please advise your crew to pull any dead plants that they see.

BCTLC MONTHLY MEETING 2025-08-19

(Inspection Made 8-16-25 in AM)

Under The Tree (UTT)

Grass needs to be cut, some sections more than others. Everything needs to be cut but some areas missed the last cycle. It looks like it is still not clear to the mowers what they cut. Grass near the pond and around the trees has not been trimmed. Still a pile of debris (branches etc.) piled next to the pump house, (I have pictures). Small dead tree on the ground, needs to be cleaned up. Palms were not timed.

Community Center (CC)

Palm Trees have not been trimmed, wash out in area between Golf Course Club House and Pool/Pool Deck occurred again with last rainstorm, dirt and mulch washed on to pool deck.

Rear Gate Woodhaven

(Woodhaven SE) Fence about 100yd SE of rear gate, bottom of fence is pulled up torn/unraveled. Looks like a mower might have snagged it during mowing. (I have pictures). Far end near bridge, vertical clearance needs to be raised up. Also far end near bridge, brush on, and pushing through fence.

(Woodhaven NE) Brush on and pushing through fence.

(Woodhaven North) Looks like the last grass cutting cycle was missed. Also grass between Woodhaven and drainage ditch has not been cut in a couple of cycles.

Behind Hospital

The area around the Helio Pad and immediately behind the Hospital looks okay, the area behind the drainage ditch behind the Hospital has not been cut in many cycles.

Commercial Area

Area looks good, some suckers on some Bottle Bruch Trees and in several areas the weeds have survived the last weeding treatment.
