RESOLUTION 2027-09

A RESOLUTION OF THE BOARD OF SUPERVISORS OF BOBCAT TRAIL COMMUNITY DEVELOPMENT DISTRICT AMENDING THE FISCAL YEAR 2025/2026 GENERAL FUND BUDGET; AND PROVIDING FOR AN EFFECTIVE DATE

WHEREAS, the Bobcat Trail Community Development District (hereinafter the "District") is a local unit of special-purpose government created and existing pursuant to Chapter 190, Florida Statutes, being situated entirely within the City of North Port, Florida; and

WHEREAS, the Board of Supervisors of the District (hereinafter the "Board") adopted a General Fund Budget for Fiscal Year 2025-2026 ("FY25-26 Budget"); and

WHEREAS, the Board desires to amend the FY25-26 Budget to reflect changes to budgeted revenues and expenses approved during Fiscal Year 2025-2026; and

WHEREAS, pursuant to Chapters 189 and 190, *Florida Statutes*, the Board is authorized to amend the FY25-26 Budget within sixty (60) days following the end of the Fiscal Year 2025-2026; and

WHEREAS, the Board finds that it is in the best interest of the District and its landowners to amend the FY25-26 Budget to reflect the actual appropriations.

NOW, THEREFORE, BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF BOBCAT TRAIL COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. BUDGET AMENDMENT.

a. The Board has reviewed the proposed amended Budget, copies of which are on file with the office of the District Manager and at the District's Records Office, and hereby approves certain amendments thereto, as shown in Section 2 below.

b. The amended Budget attached hereto as **Exhibit A** and incorporated herein by reference as further amended by the Board is hereby adopted in accordance with the provisions of Sections 190.008(2)(a) and 189.016(6), *Florida Statutes*; provided, however, that the comparative figures contained in the amended Budget as adopted by the Board (together, "Adopted Annual Budget") may be further revised as deemed necessary by the District Manager to reflect actual revenues and expenditures for Fiscal Year 2025-2026.

c. The Adopted Annual Budget shall be maintained in the office of the District Manager and the District Records Office and identified as "The Adopted Annual Budget for the Bobcat Trail Community Development District for the Fiscal Year Ending September 30, 2026, as amended and adopted by the Board of Supervisors effective October 6, 2026."

SECTION 2. APPROPRIATIONS. There is hereby appropriated out of the revenues of the District, for the fiscal year beginning October 1, 2025, and ending September 30, 2026, the sums set forth below, to be raised by special assessments or otherwise, which sums are deemed by the Board to be necessary to defray all expenditures of the District during said budget year, to be divided and appropriated in the following fashion:

TOTAL GENERAL FUND	$_____
DEBT SERVICE FUND, SERIES _____	$_____
DEBT SERVICE FUND, SERIES _____	$_____
TOTAL ALL FUNDS	$_____

SECTION 3. CONFLICTS. All District resolutions or parts thereof in actual conflict with this Resolution are, to the extent of such conflict, superseded and repealed.

SECTION 4. SEVERABILITY. The invalidity or unenforceability of any one or more provisions of this Resolution shall not affect the validity or enforceability of the remaining portions of this Resolution, or any part thereof.

SECTION 5. EFFECTIVE DATE. This Resolution shall take effect as of October 6, 2026.

PASSED AND ADOPTED this 6th day of October 2026.

RESOLUTION 2027-08

A RESOLUTION OF THE BOARD OF SUPERVISORS OF THE BOBCAT TRAIL COMMUNITY DEVELOPMENT DISTRICT CREATING A COMPLIANCE POLICY BEFORE PAYMENTS ARE MADE; PROVIDING A SEVERABILITY CLAUSE; PROVIDING AN EFFECTIVE DATE; AND PROVIDING FOR REPEAL OF RULES IN CONFLICT THEREWITH.

WHEREAS, the Bobcat Trail Community Development District (hereinafter the "District") is a local unit of special-purpose government created and existing pursuant to Chapter 190, Florida Statutes, being situated entirely within the City of North Port, Florida; and

WHEREAS, Chapter 190, Florida Statutes, authorizes the District to adopt resolutions as may be necessary for the conduct of District business; and

WHEREAS, the District has previously adopted Rules, Policies and Procedures regarding the payment of vendors; and

WHEREAS, the policy stated below are for immediate use and application, having been adopted by the District Board of Supervisors on October 6, 2026.

NOW THEREFORE BE IT RESOLVED BY THE BOARD OF SUPERVISORS OF THE BOBCAT TRAIL COMMUNITY DEVELOPMENT DISTRICT:

SECTION 1. Vendors who provide services, regardless of cost, must have approval of the Board, provide sufficient insurance, and a signed contract. All rules of procedure and spending resolutions shall be considered appropriate Board approval. All contracts must include payment terms.

SECTION 2. Payment for any services rendered by a vendor that does not meet these requirements shall be withheld until such time as the Board approves the vendor and a contract is executed.

SECTION 3. Any and all accounts created on behalf of the District, electronic or otherwise, and for any purpose, must be in the name of the District, use a District-associated email address, use the District's physical address and phone number, only use District-issued payment cards, and any passwords must be provided to the District Manager.

SECTION 4. Payment or reimbursement for any accounts not meeting the requirement described in Section 3 will be withheld until the account is compliant with Section 3.

SECTION 5. All communications regarding financial matters shall be directed to the District Manager or designated district management employee and no other employees of the management company.

SECTION 6. If any provision of this Resolution is held to be illegal or invalid, the other provisions shall remain in full force and effect.

SECTION 7. This Resolution shall become effective immediately upon its passage and shall remain in effect unless rescinded or repealed.

SECTION 8. This Resolution shall repeal all previously adopted rules to the extent that they are in conflict.

PASSED AND ADOPTED this 6th day of October 2026.

MEETING MINUTES
September 17, 2026

MINUTES OF INFRASTRUCTURE – ASSET WORKSHOP

Each person who decides to appeal any decision made by the Board with respect to any matter considered at the meeting is advised that the person may need to ensure that a verbatim record of the proceedings is made, including the testimony and evidence upon which such appeal is to be based.

The workshop of the Infrastructure-Asset Committee of the Bobcat Trail Community Development District was held on Thursday, September 17, 2026, at 3:00 PM at the Bobcat Trail Community Center, 1352 Bobcat Trail Blvd, North Port, FL 34288.

Present and constituting a quorum:

Steven Ball	Board Supervisor, Chairman
Jeffrey Brall	Board Supervisor, Vice Chairman
Michael San Antonio	Board Supervisor, Assistant Secretary
Robert Branch	Board Supervisor, Assistant Secretary

Call to Order/Roll Call
Meeting was called to order at 3:00 PM by Steven Ball. Present were Steven Ball, Jeff Brall, Michael San Antonio and Robert Branch.

Pledge of Allegiance

Approval of Agenda
There were two additions to the agenda under New Business.
C. Pool Gates
D. Black fence and back gate painting
Agenda was approved

Public Comments
No public comments on Agenda

Old Business
Golf Course Update:

Supervisor Brall reported the update. Resident complaints were received regarding work on the driving range and potential sandhill crane nesting; golf course crew checked for nests and eggs and found none, and the area is not designated as a sandhill crane nesting area.

Crew reported seeing snakes but no birds or nests.

Concerns on social media about spraying on the golf course were noted; the area is private property and not for dog walking, and spraying is part of redevelopment into a functional golf course.

The CDD has limited authority over work on the private golf course property.

A question was raised about pump house rework and potential resident impact; no update yet, but discussions will occur when the golf course is ready.

They are reviewing options, and the CDD expects to be part of the conversation.

Existing irrigation system mapping is believed complete or nearly complete; this will inform evaluation of tie-in points to the Fairway system.

Hold a golf course meeting at the clubhouse on October 5, 2026 - It will be live-streamed via Zoom and recorded for posting on the website; a reminder with the Zoom link will be sent next week.

Discussion of Sidewalk Repairs:

Precision Sidewalk Safety will assess all sidewalks next Wednesday (September 23, 2026) an inspect for ADA compliance and identify repair/replace needs.

Post-assessment, the report will be reviewed with the board to prioritize sections for action.

New Business

PRV # 7 Repairs:

PRV #7 leak described as small, likely less than the output of one irrigation head.

Quote from Hoover for $1,600 was obtained and approved on September 11, 2026; vendor has not yet confirmed schedule but expected within the next week (by September 24, 2026).

Question raised about leak duration; estimated at a couple of weeks, with no detectable spike in pump house water usage.

Newsletter Distribution Discussion:

Previous newsletter distribution went through the Bobcat Master which is no longer handling it; current constraint is public records exposure if CDD emails residents directly.

Direct CDD blast emails would make recipient addresses public if requested, raising privacy and solicitation concerns (e.g., realtors, plumbers, vendors harvesting emails).

Communications should be sent via Butterfly or Bobcat Master to avoid public record issues.

Pool Gates:
Both sets of hinges on the pool gates were replaced around the second week of July; after replacement by a Butterfly subcontractor, one gate is dragging.

The post is solid (set in concrete), and the issue is the gate being hung too low, not the post or the multiple prior hinge holes.

Supervisor Branch will repair the gates.

Black fence and back gate painting:

Supervisor Branch observed fading paint over the last six months on the black ornamental fence along Bobcat and the back gate; obtained a quote from Tamiami to power wash and paint both for $4,268.

The board requests he get additional quotes.

Resident Concerns

Supervisor San Antonio stated one homeowner reported via the CDD that a tree on the golf course was either falling or at risk of hitting their house. Supervisor SanAntonio contact the golf course, and they will cut down the tree this week.

Supervisor Updates

Supervisor Branch stated that the agreement for the pool house roofing with Anthony Leonard Roofing was signed on August 21, 2026.

A start date is still pending due to delays with the metal supplier.

Once a start date is known, the community needs to be notified a week or two in advance of the required pool closure.

Supervisor Brall: Effective October 1, 2026, the CDD has contracted with Elite to handle fertilization, weed control, and bug control for all its areas, removing this task from the Artistry contract. This is like a change made by Fairway Commons.

The CDD is also preparing to rework three small monument areas to create more continuity in design throughout the community. Estimates are pending.

There is a plan to replace failing flowering plants. The issue is suspected to be poor soil quality lacking necessary nutrients.

Supervisor Ball stated the main boulevard requires repaving, which will be handled by a separate vendor.

Another vendor is being brought in to assess the community center parking lot for a rejuvenation process that restores asphalt as an alternative to a full seal coating.

This process could save a significant amount of money since the parking lot has seen little use in the past five years.

This work must be completed before the golf course opens in October 2027, as access will be restricted afterward.

A suggestion was made to paint lane markings on the entrance road to guide visitors and residents to the correct gate.

Supervisor San Antonio stated the issue is with a leaking coil in the air handler of the AC unit for two specific rooms.

A temporary fix was applied by adding more Freon and patching the leak.

The unit may need to be replaced in the future, as it is part of a set of units that are now 22 years old and at the end of their operational life.

One other similar AC unit was already replaced this year.

Janitorial services for the pool restrooms will be suspended with the current vendor due to ongoing cleaning issues, and a new service will be hired.

Public Comments

A resident provided public comments on wildlife, the newsletter, and a past vendor.

Wildlife: The resident stated that wildlife on other golf courses (e.g., Heron Creek) coexists with golfing activities, and this should be possible here as well.

Newsletter: The resident endorsed using the "Butterfly" system for community outreach, noting it is an easy and effective method.

Tamiami Painting: The resident expressed dissatisfaction with Tamiami Painting, stating that after many years of work for the community, the vendor has not lived up to its promises.

A suggestion was made to post the community newsletter on the website in addition to any other distribution methods. Steven Ball agreed this was a good idea and easy to implement monthly.

Adjournment
Adjournment at 3:30 PM.

Tab 7

Landscape Committee Meeting Minutes

August 17, 2026 Meeting called to order: 9:00 a.m.

Attendance

Committee members present were Barbara Bracco, Harry Wildman, and Lynn Mattson.

Participating by telephone were Joe Spallina, Jim Hamm, and CDD Liaison Cheryl Terrana.

Field Manager Keith Livermore and Juniper representative Sergio were also present. A quorum was established. No members of the public were present.

Approval of Previous Minutes

The previous meeting minutes were reviewed.

A motion was made to approve the minutes, seconded, and approved.

Landscape Project - River Club Entrance and Roundabouts

Cheryl reported that the Board approved the landscape project between the large roundabout and the River Club.

The Board also approved keeping the Shady Lady trees, with the understanding that they should be kept appropriately trimmed so they do not become excessively wide.

Small Island Near River Club

The committee discussed the complete renovation of the small island near the River Club. The existing plant material will be removed and the island replanted.

The proposed design includes:

- Stump-form Bougainvillea as the centerpiece
- Emerald Blanket Carissa
- Foxtail Ferns
- Emerald Goddess Liriope

The surrounding plants are intended to be arranged in tiers so the Bougainvillea remains visible.

The final size and height specification for the stump Bougainvillea needs to be confirmed.

Anthony is to revise the proposal to reflect these changes. Legal is preparing the contract, and the revised proposal will be attached.

The project is expected to begin after the contract is signed, with September discussed as a possible start period.

Sergio will follow up regarding the revised quote, plant specifications, and anticipated start date. Joe requested that Sergio email the committee a written description of the island planting plan for the record.

The committee confirmed that this project covers the River Club entrance area extending toward the large and small roundabouts. The entrance toward the comfort station will remain as it currently exists. Additional planting has already been completed in some bare areas, including grasses and Ixora. **Entrance Magnolias**

The committee discussed the magnolia trees along the sides of the entrance that are not performing well. Rather than discard healthy trees, the committee discussed relocating them to another common area where they may perform better.

A motion was made to recommend relocating the magnolias to the open area at the end of Padova near the emergency gate.

The motion was seconded and approved.

The exact placement will be reviewed before the trees are moved.

Voting Eligibility

A motion was made to allow Joe and Jim to vote during the meeting. The motion was seconded and approved.

Field Manager / Landscape Maintenance Report

Keith reported that recent rainfall has improved conditions and irrigation schedules have been adjusted accordingly.

Sod installation is planned to finish the area at the Medici berm.

Several flower-bed plants that have died or declined have been reordered for replacement. Irrigation in those beds is also being checked.

The large roundabout was discussed, but no final decision has yet been made regarding the replacement or addition of a major tree or palm.

Monthly Landscape Inspection Report

The committee discussed establishing a regular Juniper landscape inspection report.

Sergio will follow up with Whitney regarding preparation of the report.

The committee requested that the report be distributed during the second week of each month, approximately one week before the committee's regular third-week meeting, allowing members time to review it.

The committee will review the Juniper reporting process before deciding whether changes should be recommended regarding the existing Rosetta reporting arrangement.

Soil Treatment

A soil-amendment product discussed at the previous meeting has been delivered for use in problem areas along the boulevard intersections.

Application is expected to begin shortly.

Sergio offered to provide additional product information to committee members.

Cul-de-Sac Maintenance

Concerns were raised regarding several cul-de-sacs, including:

- Weed growth
- Shrubs needing pruning
- Improperly positioned irrigation and drip lines
- Irrigation lines sitting above ground
- New plantings not receiving adequate irrigation

Sergio will contact Brian regarding adjustment and correction of the drip-irrigation lines. The committee also emphasized the need for continued weed control and pruning.

River Club Lawn Mowing

The committee discussed mowing frequency in front of the River Club during the rainy growing season.

The expectation is that the area should be mowed weekly during the summer and rainy season, with less frequent mowing acceptable during slower winter growth.

River Club Flower Beds

The committee discussed the current flower display around the River Club and fountain area.

Members felt the present red and muted Pentas did not provide enough color contrast or visual impact.

The committee favored introducing white flowers or Pentas among the existing plantings to create more contrast rather than adding additional muted pink.

Dead or discolored plants are already scheduled for replacement.

Sergio will coordinate the work and notify a committee representative so placement can be reviewed while the new plants are being installed.

December Flower Rotation - Poinsettias

The next major seasonal flower rotation is expected to feature poinsettias in December.

Anthony was believed to have already ordered the poinsettias; this will be confirmed.

The possibility of placing poinsettias at neighborhood monuments was discussed. Concerns included lack of irrigation at some monument locations and the absence of planting beds at others.

No decision was made to install them throughout the community.

Lynn volunteered to inspect the neighborhood monuments with another committee representative before the next meeting to determine where seasonal poinsettias might reasonably be used. Findings will be discussed at the next meeting.

Other Landscape Items

Several additional maintenance items were discussed:

- An empty mulched bed near the guardhouse exit may be better converted to sod.
- An unused landscape light remaining where a palm was lost during Hurricane Ian should be removed.
- A struggling magnolia near the Peso/Benito area will be inspected to determine responsibility and whether removal or another action is appropriate.
- The committee reaffirmed its satisfaction with retaining the Shady Lady trees.

Agenda Items

Committee members were asked to submit proposed agenda items before the next meeting so they can be distributed to members in advance.

Next Landscape Committee Meeting

September 21, 2026

Adjournment

With no further business, the meeting was adjourned at approximately 9:48 a.m.
