C. Vicious Dog: The dog has been seen walking on a leash and with a muzzle on. There were no reports sights of the dog being seen otherwise. The association attorney has offered to accelerate the legal process to have the dog removed. No additional action was taken.
D. Quorum Planning: Dir. Daughdrill described the plan to make sure adequate proxies were gathered so that the Annual Meeting could be held. She sent out blast emails reminding owners to return their proxies and also to sign a Voter Certificate if they haven't done so already. Dir. Wagner asked, in following up on those who have not sent in their proxies, could a proxy be sent to them in an email and they could fill it out and email it back to AMI? Charles said it hasn't been done to his knowledge but probably could be dome in the future. He said he would check on it.
E. Compliance Notification Process Review – Stevens/2373 Silver Palm Road: Mr. Stevens explained that he always responds to violations that he is aware of. B. ACC Denial Planter Appeal – Volk/1981 Silver Palm Road: Mr. Daughdrill, ACC Chairman, reported that the request was denied because a similar request had been denied and to approve this might set a precedent for other more un-esthetic requests. The owners made a strong case for approving this planter as it was less obtrusive than others around the community. Dir. D'Onofrio made a ***motion*** to approve the bicycle, seconded Dir. Daughdrill. The vote was three for and three against. ***Motion*** failed.
C. Golf Ball Protection Request – Brooks/2871 Royal Palm: A motion was made by Dir. D'Onofrio, seconded by Dir. Alden to permit the shutters on the window to remain down to protect the window from golf balls. Motion carried unanimously.

9. OWNERS COMMENTS: Scott Verrill stated that the HOA has not adopted Roberts Rule of Order and is not required to follow them.
Mr. Wrisley asked if the Board had a tickler file to make sure the delinquency would be handled in a timely manner and avoided losing the opportunity to collect due to the statute of limitations.
Ginger Werner commented that the owners should be reminded to check with the proper committee before making any changes that affect the outside of the unit.
Rita Smith commented that she understood that anytime the HOA had a meeting that members of the

CDD attended, that meeting must be noticed by the CDD.
Sharon asked about the process of mailing two letters to different addresses and the fact that the address on the letter that would go the address where the owner was not in residence had CURRENT RESIDENT not the name of the owner.

The next Meeting will be March 22, 2017.
