A. Vicious Dog - President Wagner noted that a second deposition was not done. The Bobcat Lawyer is setting a second date for the second deposition.

B. Overnight Parking, Fining, Towing -Addendum to Agreement to Cooperate. Thanks to Dave Daughdrill and Fred Jones. Dave Daughdrill presented the Overnight Parking, Fining, Gate Restrictions Addendum to the HOA Board. Fred Jones will present to the CDD Board. A discussion of the Policy followed.

- Security guards do inspections Midnight - 6 am. They log violations into CDD spreadsheet. 2 occasions within 14 -day period starts the process / violation letter. If it's a visitor, violation goes to the homeowner.
- Can't give violators 35 days to remediate. Instead give 5 days to stop parking in street or block sidewalk. We will observe for 5 days. If no more violations during observation period, it's done. If happens again within the 5 days, violation letter will be sent. If violator initially complies but then does it again within 35 days, violation letter will be sent and possible fine. If violator simply keeps parking in street after the first notice, letter sent and possible fine. If fined and still continues, then CDD steps in. Restricts gate privileges. Only way to restore privileges is to go before CDD. Restriction is for only vehicle parked in the street.
- 35- day observation period.
- Next steps: HOA Board adopts, CDD adopts this addendum, both presidents sign and it becomes mutual agreed policy for the community.
- Director Daughdrill made a motion for adoption with changes discussed today. Director Alden seconded the motion. Upon BOD vote, ***the motion passed unanimously***.
- This document will be sent to the CDD for their review/adoption.

C. Adoption of revised shutter policy – Thanks to Dave Daughdrill's and John Swalec's efforts.

- Dave presented the revisions: temporary shutters are plywood and unpainted corrugated metal shutters. Past policy allows temporary shutters to be put up 2 days before the hurricane and stay up until 2 days after. The Chair of Board decided when that time period would start.
- Changes - Dates for putting temporary shutters up will be decided by NOAA reports. Taking down: Decided should be more flexible - ACC will do an inspection and send post storm notice to those with temporary shutters giving them a specified period (7 days suggested) to take them down. Dan M said Villas is also working on this policy and suggested we get their input as well. Carol Dean (who is working on Villas policy) explained some of their concerns. Marge suggested that the Villas take our policy and add the extra Villas requirements. Carol Dean agreed.
- Director Alden moved for adoption, Director Mastropietro seconded. Director Daughdrill suggested one correction: take down date to be decided by ACC Chair and the President of BOD - Director Alden amended motion to include the wordsmithing. Director Mastropietro seconded as amended. Upon BOD vote, ***the motion passed unanimously.***

D. Bingo at Bobcat – President Wagner reported our attorney's opinion: Attorney was comfortable with the HOA supporting Bingo. However, attorney suggested we revisit our D&O insurance, cost and coverage.

- Once we approve the Bingo at Bobcat sponsorship, Jo Dean Eddins will work with the CDD to get their validation. Jo Dean will get a team together and schedule the first Bingo for February pending our insurance review. Then she'll check community interest.
- Director Daughdrill will do blast email asking for resident volunteer to check insurance and shop for new insurance.
