5. REPORTS:

   A. AMI Management Report:

      Rafael Susara, CAM, was not present to provide a summary report.

      His report will be inclusive of June and July at next month's meeting.

   B. Officers Reports:

      President Report: President Knowles reported there is an ongoing issue with parking on streets. He suggests we look at ACC guidelines to impose parking fees on those not following current guidelines. The 35-day notice is too long to address parking issues. Homeowners on Coconut Palm are reporting an issue with rats. Mainscape has been contacted and we will await to hear suggestions from them to remedy the situation.

      Secretary Report: none

Treasurer's Report: Treasurer Alden reported that the financials are better than anticipated with a total operating cash of $65,115. YTD income is $31,234 ($5,459 more than estimated). YTD expenses are $28,349 ($378 under budget). We have $18,768 in total accounts receivable. Doug stated that the Golf Course inquired as to their HOA fees. They hope to be current soon.

C. Committee Reports:

1. ACC: Patty Cooper reported the following issues from the ACC: **Fire Pits** - North Port City has no problem with a piece of outdoor furniture which includes a propane tank. No wood burning is allowed. Our guidelines do not allow permanent furniture outside the lanai area. An exception to the guideline would allow other residents to place grills, etc., outside their cages. **Hedges/ Fencing** - A homeowner has requested to place a hedge close to the border of neighboring property. A request has been made for a survey by the homeowner. Action will take place after the survey has been seen. **Silver Palm** - Patty and Sharon inspected for fruit laying on the ground after complaints were received from neighboring properties. They saw no fruit but witnessed landscaping that is overgrown and unsightly. **3332 Bailey Palm tree** - Patty and Sharon could not find a tree in violation. Fines have been on our treasury books for some time. A ***motion*** was made by Director Etherton to remove the fine from our books and seconded by Treasurer Alden. All were in favor, motion passed unanimously. **3182 Royal Palm** - A ***motion*** was made by Secretary Beane to allow a permanent, clear covering over a window previously damaged by a golf ball. Director Etherton seconded the motion, motion passed unanimously.
2. TES: Rita Smith reported that 3 properties were granted time extensions for cleaning roofs due to waiting on contractors/ insurance companies to potentially replace roofs. Those properties are: 1845 Coconut Palm; 1763 Queen Palm; and 2727 Phoenix Palm Way.
3. Hearing Panel: Three (3) pending violations were all corrected, therefore, no action was needed. Panel is current.

6. UNFINISHED BUSINESS:

   A. Parking Enforcement Agreement with CDD:

      There is nothing new to report and hopefully, new ACC guidelines will help to resolve the issue.

   B. 1728 Bobcat - New Owner (Bank) Communicate Violations:
      Patty Cooper has made attempts to communicate with the bank. Treasurer Alden reported that as of March 11, violations were paid. She will contact Dave to inquire about further information.

7. NEW BUSINESS:

   A. Proposing ACC Guideline changes:
      President Doug suggested that we create a list of changes/ language needed for revision. Suggestions are: parking, hurricane shutters, automobile coverings, cleaning of sidewalks, protective windows, yard lanterns (remove "similar"), landscape noise, and fencing. Our ACC will review and provide a revised document to the board over the next few months.

8. POTENTIAL FINES:

   A. 2388 Silver Palm - Yard Decorations not Approved by ACC
      Discussion: ACC states the problem is the number of pots placed in the yard. The yard decorations have been remedied by the homeowners. A new letter will be sent after Patty and Sharon let the homeowner know of the real problem. Secretary Beane made a ***motion*** to dismiss the potential fine; President Knowles seconded; motion passed unanimously.

   B. 1962 Coconut Palm - Roof
      Upon inspection, the roof appears to have been cleaned. Secretary Beane made a ***motion*** to dismiss the fine; Treasurer Alden seconded; motion passed unanimously.

   C. 1728 Bobcat Trail - Front Yard Lantern
      Secretary Beane made a ***motion*** to approve the fine; Treasurer Alden seconded; motion passed unanimously.

9. OWNERS COMMENTS:
