5. REPORTS:

A. **AMI Management Report:**
Rafael Susara, LCAM with Advanced Management, Inc. (AMI) provided an Operational Summary report since the last Board of Directors' Meeting to include the number of broadcasted emails, violations, ARC requests, and delinquent accounts.

B. **Officers Reports:**
- ***President Report:*** It was mentioned that an interested party considered purchasing the golf course for the development of an assisted living community. Legal counsel was requested to provide their legal opinion on the subject matter.
- ***Treasury Report:*** It was reported that the total operating cash balance had reached $82,571 with total assets exceeding $105,000. A ***motion*** was made by Vice President Kohl and seconded by Director Little to approve the Treasurers' report. ***All were in favor and the motion carried unanimously.***
- ***Vice President:*** Nothing additional to report.

C. **Committee Reports:**
1. ***ACC:*** It was reported that the ACC Committee reviewed and approved 36 ARC requests, 31 of which were roof replacements. It was also suggested that staining driveways is preferred over painting them. The painting of light poles will also be a considered option of the committee.
2. ***TES:*** Two requests for time extensions were received. One from 2135 Silver Palm and the other from 2443 Silver Palm. The only request from the committee is that owners remember to update the Board accordingly as they progress.
3. ***Hearing Panel:*** The Hearing Panel had decided not to fine the owner of 2999 Royal Palm for the roll down shutters being down during the night because previous Board members

had approved it in the past.

6. **UNFINISHED BUSINESS:**
   None reported.

7. **NEW BUSINESS:**
   - ***A. Annual Members and Board Meeting:*** It was reported that there are three (3) Board positions becoming available at the upcoming Annual Members Meeting and that more proxies are required to establish a quorum. President Knowles announced that he will not be serving as President during the next term but will remain as a director. He also made mention that Treasurer Alden will be stepping down from the Board entirely and thanked her for her many years of service as the Treasurer.
   - ***B. Appointment to Finance Committee:*** Patricia Siracusa was appointed to the Finance Committee.
   - ***C. Roof Material Options:*** It was mentioned that stone-coated metal roof tiles should be considered as an alternative option as the material is more readily available than the concrete tiles used throughout the community. The ACC had originally approved a request by an owner for the metal tile because there is nothing in the docs suggesting that metal roofs are not allowed. The Board's position is just because the docs are silent on the subject matter, doesn't make them permittable. Much debate and discussion took place to include property values, owner survey, overall aesthetics, maintenance, insurance coverage, material durability, and the need to amend the documents if allowed. A ***motion*** was made by Director San Antonio and seconded by President Knowles to proceed with an owner survey to gauge the majority's opinion. ***All were in favor and the motion carried unanimously.***

8. **POTENTIAL FINES:**
   - ***A. 2888 Phoenix Palm - Grill has not been removed off the porch****:* A ***motion*** was made by Treasurer Alden and seconded by Director Little to fine the owner $100, plus $10 per each day the grill remained in plain view. ***All were in favor and the motion carried unanimously.***
   - ***B. 1346 Solitary Palm-Torres-Vehicle Continues to Park in Street overnight:*** A ***motion*** was made by Treasurer Alden and seconded by Director Tawes to fine the owner $100 for continued non-compliance of parking on the street overnight. ***All were in favor and the motion carried unanimously.***

9. **OWNERS COMMENTS**: *All owners present were afforded the opportunity to ask questions.*
   - Owner asked about options if fines are not paid.
   - Owner suggested increasing the fines to $10,000 max.
   - Owner reported someone was taking pictures of homes in the community.
   - Owner questioned if roof material survey was going to be mailed.
   - Owner commented that all mailboxes should be the same throughout.
   - Owner reported that galvanized roofing material would hold up the best against storms.

10. **NEXT MEETING DATE:** The next meeting will be the Annual Members' meeting and is scheduled for March 13, 2023 at 6:00pm at the Community Center and via Zoom video conference call.

11. **ADJOURNMENT:**
